Tim;

Here is some information I received from Nancy McKinney, Bartholomew County Auditor, today:

- * The date of their CAMA contract is October 23, 1995
- * Their Manatron Tax contract costs were detailed in the vendor report of expenditures
- * The vendor report detailed the costs for both the CAMA and Tax Billing programs (CAMA would be noted as disbursed from Fund 005 and Tax Billing would be noted as 001-30).
